

# Omnecraft™

## ALTERNATORS AND STARTERS

### A Trusted Relationship Just Got Better

Omnecraft is the newest member of the Ford family of parts offering affordable, reliable parts designed for non-Ford repairs. With over a century of parts heritage to build upon, Omnicraft is a quality choice for your business.

### Omnecraft Starters & Alternators

- Available for most non-Ford/Lincoln vehicles: one-stop shopping for all your parts needs
- 100% new components
- Designed to meet manufacturer requirements for proper fit, form, and function
- 100% end-of-line testing to help reduce comebacks
- Ready to install out of the box
- NO CORE charge which means lower transaction prices, less hassle and the ability to stock more inventory at a lower carrying cost

### Omnecraft Alternators

- Alternators designed to help protect against excessive charging
- Premium brushes and components help lead to long service life
- Designed to withstand grueling under-hood heat and electrical demands
- Compatible with sensitive electronics systems

### Omnecraft Starters

- Premium bushings and brushes for long service life
- Corrosion resistant coating on external components
- High tech seals and synthetic grease help to ensure long bearing life

#### High Performance

- Slip rings and brushes designed for reduced wear

#### Long Life

- End-of-line performance tested

#### Excellent Value

- Corrosion-resistant finish on external components
- Ready to install out of the box
