

# Omnecraft™

## LOADED STRUTS

### A Trusted Relationship Just Got Better

Omnecraft is the newest member of the Ford family of parts, offering affordable, reliable parts designed for non-Ford repairs. With over a century of parts heritage to build upon, Omnicraft is a quality choice for your business.

### The Omnicraft Advantage

Shocks and struts are vital for traction and control, not just for bumps. Omnicraft strut assemblies help keep the tires firmly planted, and they are designed to resist body roll on curves, making the vehicle more stable.

- Delivers quality fit at competitive prices
- Available for most non-Ford/Lincoln vehicles: one-stop shopping for all your part needs
- Provides limited lifetime warranty\*\* with unlimited mileage and labor reimbursement\*

### Omnecraft Quality Components

- Engineered for easy installation with no special tools required
