

Omnicraft™ BATTERY

Backed by Ford Motor Company

Omnicraft™ BATTERIES

High Performance Battery You Can Trust

What Makes an Omnicraft™ Battery Excellent?

24 Month or 40,000km Warranty

Give you peace of mind with up to 24 months or 40,000km warranty (whichever comes first).

High CCA: Providing Reliable Starting Power

Engineered to have high CCA to ensure your vehicle starts easily.

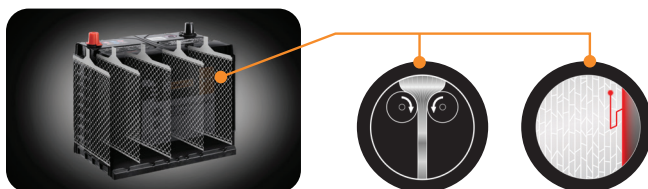

Maintenance Free

It's hassle free battery. The rugged leakproof design offers fit-and-forget convenience.

Last longer with Thinner Rolled Alloy Structure

Exclusive battery grid design technology with fine crystal structure helps minimize corrosion and provides longer battery life.
