

Omnicraft™

BELT

Omnicraft is the newest brand in the Ford parts lineup, offering affordable, reliable parts designed for non-Ford repairs and backed by Ford Motor Company. Omnicraft offers maintenance & light repair parts including filters and brake parts. Additional product lines are under development to meet the needs of different applications.

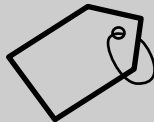

Your benefits at a glance

Omnicraft is your new opportunity to get into the parts game for non-Ford vehicles in your area. With Omnicraft, your customers aren't only getting the quality parts they need, you're also giving them:

Confidence

Omnicraft is the newest member of Ford family of parts and provides a high-quality solution for non-Ford vehicles. Backed by Ford Motor Company and with over a century of parts heritage to build upon, Omnicraft is sure to give your customers confidence and peace of mind in their choices.

Competitive pricing

The competitively-priced Omnicraft range makes no compromises on quality, fit and performance.

Quality

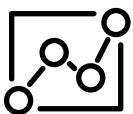

As part of the Ford family of parts, Omnicraft parts meet all industry standards and are backed by warranty.

Convenience

Find the parts you need for Ford and non-Ford in one place, helping you get jobs done faster and keep your customers satisfied.

Omnicraft belt features

Highly stable and flexible, suitable for use in modern “small pulley” applications.

High shock-load resistance.

Reduces noise in all conditions.

Meets or exceeds all industry standards including SAE, DIN, and JASO.
